

USD 240 Twin Valley Public Schools, working with the Summer Food Service Program will be offering a **FREE** grab and go lunch and what will be a “next-day” breakfast offered at the Tescott and Bennington school facilities between **11:30 am-12:30 pm beginning Tuesday, March 17 running through Friday March 20.**

**Below are important things to address or remember for this service:**

- The child receiving the free meal must be there in person to pick up the order. We cannot deliver to anyone other than the 1-18 year-old child for which it was intended.
- The lunch will include some type of sandwich (ex. Ham and cheese) and some sort of fruit or vegetable.
- The next-day breakfast will be some sort of grain-based product such as a Uber Bar or Cereal, some sort of fruit or vegetable and a dairy product (probably in the form of a cheese stick).
- The Tescott location we will be serving by the front door by the office and children are asked to stay a minimum of 6 feet apart from other individuals.
- The Bennington site school children will be served through Bulldog Alley and will also need to follow the 6-foot rule.
- If you live outside of the communities providing the meal and cannot provide transportation for your child, a bus will be made available for any regular route student at both the Tescott and Bennington locations to transport any school-aged (4-18) to pick up their meal.
  - Expect buses anywhere from 11:00-11:30 am to pick up your school-aged child.
  - The bus riders will NOT be eating their meals on the bus, rather will be expected to wait until they get back to their homes.
- **You must call 785-488-3325 ext. 279 with the number of 18 or under meals between 7:30-9:00 am indicating the number of 18 or under meals each.**
- When making the call, please tell the staff person answering what campus your child plans to get the meal from AND indicate as such if your school-aged child needs transportation as described above.

This will not be perfect the first time through, so please be patient with us as we work through how best to adjust what we are doing to make things better for our students. To reiterate, **you must call 785-488-3325 ext. 279 with the number of 18 or under meals between 7:30-9:00 am indicating the number of 18 or under meals each.**
