

Tescott Junior High & High School Activity Guidelines for 2020-21

These are general guidelines that Tescott JH/HS will be following for the safety of not only our student athletes, but also for those in attendance at Tescott hosted activities. If county or local guidelines are more stringent in the areas that we will be traveling, then we will adhere to their guidelines as set forth. Host schools will provide Tescott administration their guidelines and the required protocols will be posted on the Tescott Schools Facebook page as well as relayed to our student-athletes. In addition, we will send out phone calls and emails via school messenger.
